

## ANNOUNCING

# NO HASSLE ESTIMATES ON LINE

If your vehicle has been the victim of a hit and run, a supermarket shopping cart ding, an errant baseball, or the like, we are pleased to give you an estimate of repairs right on line!

1. Take and send us several digital pictures of the damage including:
  - a. Close-up so we can see the depth of damage
  - b. Medium shot so we can see how it affects the rest of the body
  - c. Wide shot (bumper to bumper) so we can see if we'll need to remove moldings, etc. for paint restoration.
  - d. Approximated length and width of the damage
2. Send us your VIN (vehicle identification number) and year/model of the vehicle

Include your best daytime phone number and/or alternate e-mail address and we'll get back to you with a qualified estimate in 4-hours!
